CARFIX UNISAFETY EASY TRAVEL MAGNET HARNESS

ACCESS AUTOMOBILITY

The **Carfix Unisafety Easy Travel Magnet Harness** is a behavioural support harness.

What is the function of **Carfix Unisafety Easy Travel Harness**?

The Easy Travel Harness is used to ensure the occupant is in the correct position for the vehicles seatbelt to work correctly.

This product is a vest design with magnet buttons down the front of the harness.

The design of this harness is for people with behaviours of concern and have the tendency to get out of the vehicles seating position.

The **Carfix Unisafety Easy Travel Harness** is to be used in accordance with the vehicle's original seat and seatbelt; meaning it can be installed into a variety of vehicles without any modifications. This harness can also be worn before getting into the vehicle if required.

Our harnesses are quick to install and can be easily transferred from across vehicles.
